Re: Woodhaven Preschool Auction Fundraiser, March 26, 2022

We are writing to you on behalf of the students and families of Woodhaven Preschool, a ministry of Willow Glen United Methodist Church which serves families of young children from around San Jose, Campbell and Los Gatos. For nearly 30 years, Woodhaven Preschool has provided a play-based preschool experience for children ages 2.5-5 years old. Our students discover their own sense of self in a loving, nurturing environment that encourages their exploration and growth and prepares them for kindergarten. We are delighted to partner with families for years as all of their children come through our program. We also have parents bringing their children to the preschool they attended when they were young, and it is a joy to welcome new families to our preschool community each year.

Our preschool programs are funded mainly through the tuition fees that families invest in their children's early childhood education, and we have worked hard to balance reasonable tuition with a high-quality program while offering financial assistance as needed so our program is accessible to families regardless of their income or finances. In recent years, families have expressed more need for assistance and after the pandemic forced us to close our doors during the spring of 2020 and accept limited enrollment for the 2020-2021 school year, we find ourselves needing to rebuild our financial stability in order to continue to offer support to all of our families and look to the future of our ministry.

In March, Woodhaven Preschool will host a fundraiser and we are asking you to consider donating an item, service, or gift certificate to support the auction portion of our event. All proceeds from our auction fundraiser will go directly to financial assistance for families, classroom and teacher development, and emergency reserve funds so we can continue to provide a foundation for young families as they begin their children's education.

Needless to say, your support would be greatly appreciated. We are hoping that local businesses will donate a wide variety of items and services to our auction, including food, wine, art, iPods, smartphones, jewelry, electronics, beauty and spa services, overnight stays, sports tickets, all types of gift cards and certificates, and many other unique and varied items. Note that our appreciation of your donation will be shared and your business prominently recognized at the event. In addition, your donation is tax deductible.*

Please join us in supporting young children and families in our preschool community with a donation. Thank you for all the ways you work to strengthen our Willow Glen community. If you have any questions, please feel free to contact us at auction@woodhavenpreschool.org

Thank you,

Allyson Colombo and Allie Matson
