

Earthquake Kits

In the event of an earthquake, we may not be able to communicate with parents. Please plan to meet here at the school where we will shelter in place.

Please bring in your earthquake kit on Orientation Day. Your kit should fit into a gallon zip lock bag labeled with your child's name.

Please include the following:

- (2) 12-oz bottles of water
- (1) juice pouch or box
- (1) small comfort snack
- (1) small comfort toy
- Family photo
- Note from home – words of reassurance
